

Subject:

Attachment Theory

1. Select four well-known persons or characters, each with a different attachment style (*secure, anxiety-ambivalent, avoidant, disorganised*).
2. The examples can be chosen from a variety of sources, such as films, literature. Also, famous people's relationships (actors, singers, influencers, celebrities) may serve as examples.
3. Make a presentation.

Presentation requirements

- Slide 1 – the subject of the presentation, name, and surname of the author,
 - Slide 2 – list chosen persons/characters and briefly describe who they are/why they are well known (a character from a film/book, actor, writer, YouTuber, athlete etc.)
 - Slide 3, 4, 5, 6 – make one slide for each selected person and describe their attachment style with justification (give available facts, childhood events, known behaviour). Specify sources of the presented facts.
 - The presentation should have 6 – 8 slides
4. Show your presentation to a group during classes - speaking time: 4 - 8 minutes.
 5. Upload the presentation to the moodle system in the *Attachment theory* section.
